I am pleased to present our report for the ED-1 Affordable Housing Project in North Hollywood, CA. Proposed construction for purposes of this review includes horizontal re-development of .19 acres and vertical construction of a 4-story multi-family building with 38 total units and 20,868 square feet of building area.

Avenue Homes, formerly The Run Group, LLC is the sponsor under review. The principal leadership

Additional Budget Comments: High

Source: Trinity Report and user input

✓ Extracted from: G25091023_10910 Huston Street_Construction_Feasibility Report_1903647.pdf

The total project budget of \$9,649,588.08 (≈\$462.41/SF and \$253,936.53/unit) is assessed as reasonable for the market, with all major line items—including \$917,384 financing costs and \$388,708 GC fee—deemed comparable and no concerns identified.
