

**CONSTRUCTION DEPARTMENT**  
**ANNUAL SPONSOR RENEWAL**

**DATE OF RENEWAL:** 11/06/25  
**SPONSOR:** AVENUE HOMES f/k/a THE RUN GROUP, LLC  
**APPROVED GEOGRAPHIES:** California  
**EQUITY CONSTRUCTION:**  
**Renewal Approval Status:** Approved  
**Renewal Construction Tier:** 2.5

The Genesis Capital Construction Department conducts annual reviews of existing Sponsors, and determines an updated assessment of their construction competencies and operational capabilities. All key performance indicators are tracked and considered, which includes both internal and external informative resources. An initial construction analysis for this Sponsor was performed on 05/01/19. The Genesis loan officer presenting at the time was Corporate. The principal leadership of AVENUE HOMES f/k/a THE RUN GROUP, LLC is overseen by Brandon Hance.

This Sponsor has performed as originally intended, without any specific event causing for change in evaluation. The types of projects, geography, or budget amounts are projected to continue as presented. It is determined that no specific incident warrants a change in the construction tier at this time, and that this Sponsor will perform as originally considered.

**Additional Comments:**

No additional commentary will be provided for this review.

**Renewal Additional Requirements:**

No ADDITIONAL CONDITIONS at this time.

**Risk Assessment:**

Budget Control: Acceptable  
Schedule Control: Acceptable  
Construction Team: Acceptable  
Operations Team: Acceptable

- This evaluation was based on this Sponsor's current strategy of SFR (1-4) "ground up construction". **Any change in strategy or production volume** is required to be reviewed by the Genesis Construction team prior to loan approval.
- This evaluation was based on a rehab budget range of \$7,000,000.00. **Any future projects with a significant increased rehab budget** will need to be reviewed by the Genesis Construction team prior to loan approval.

**This Sponsor Analysis completed by:**

Nicholas Lambert, VP, Construction Underwriting
